Purpose and legal basis

As you need access to an operational area at the Air Station, HW have to check that you are the person you claim to be, and the credentials you forward will be used for this purpose only. Your credentials will be stored up to 1 month after the Air Show to verify documentation in case of criminal offenses committed at the Air Station.

Legal basis to make HW able to handle your credentials follows the Danish military security regulations and the Danish data protection regulations article 6, para 1e. Article 6, para 1e states that handling credentials is allowed taking into account the interest of the Danish community or belonging to a public authority assignment.

Categories of credentials

HW will ask for and handle common credentials, which is covered by the Danish data protection regulations article 6:

- Pass numbers or driving license numbers from civilians together with full name, address, cellphone number, mail address and nationality.

Sharing credentials

If you raise questions that HW needs to answer, HW will, if needed, share your credentials with relevant authorities belonging to the Danish Defence Ministry in order to provide you the correct answer.

If relevant, HW will furthermore share your credentials with the Danish Police Intelligence Service and/or the Danish Defence Intelligence Service.

Storage of credentials

1 month after the Air Show your credentials will be erased, because the purpose no longer exists.

Duties and consequences

To grant you access to the Plane Spotter Day, HW needs your credentials. You are not obliged to forward your credentials, but please note it will exclude you from getting access to the Air Station.
