

Brug af filter – også til at gemme permanent + find ”completed” notifications

Mange, ofte myndigheder, søger ud fra samme kriterier hver dag.

Det er nu muligt at gemme sine filtre, så man ikke skal udfylde matrixen hver gang man laver en søgning, men kan gemme det permanent. Det er muligt at gemme mange forskellige filtre. Filteret er personligt og gemmes kun på ens eget login.

Det er nemt og enkelt:

1. Klik på luppen i ”søg”

2. Udfyld dine søgekriterier. Det er også muligt at kan tilknytte flere ”Port of call” til det samme filter.
